

SCUBA

Dive on coral reefs, A WWII Corsair (sunken aircraft), New Barge (sunken ship) & many sea caves and walls in Maunalua Bay, in the Hawaii Kai area. The depth of the water varies from 30 to 110 feet. You'll see different schools of tropical fish, invertebrates, various eels, turtles, and lots more! Visibility ranges from 60 to 150 feet.

Everything needed for diving is included:

- Roundtrip transportation by an air-conditioned van from Waikiki hotels.
- All scuba equipment necessary, and, best of all, an instructor to accompany the divers under water.

We provide the knowledge and close supervision needed by first timers to enter the water and enjoy themselves safely! We offer a one tank, or a two tank boat dive.

Come join us for a great day in the sun.

Also offering:

- Night Dives
- Advanced Diving Courses
- Specialty Courses
- Snorkeling Excursions
- Divemaster
- PADI Instructor Courses
